

CONGRESS PROGRAM

Download the RACP Congress app to plan your program.

SUNDAY 18 MAY	
16.00–18.00	College Ceremony New Zealand Room Arthur E Mills Oration: Science and Public Policy—Reconciling Two Cultures Professor Sir Peter Gluckman
18.00–19.00	College Ceremony Reception New Zealand Promenade

MONDAY 19 MAY

08.30–10.30 **Congress Welcome Ceremony**
 Lead Fellow Congress **A/Prof Mark Lane**
 Welcome Powhiri
 Introduction **A/Prof Leslie E Bolitho AM**
 Opening Address **Dame Silvia Cartwright**

PLENARY SESSION 1
Priscilla Kincaid-Smith Oration Evidence based introduction of health technology and disinvestment - two sides of the same coin **A/Prof Richard King**
 Chair: **A/Prof Alasdair MacDonald**

10.30–11.00 **Morning Tea**

11.00–12.30	Physicians as Medical Experts - AMD	Physicians as Advocates	Physicians as Educators	Physicians in the Workplace/ AFOEM	Physicians as Professionals	Awards - AMD	Awards - P&CHD	Exhibition Area
New Zealand Room 1	Marlborough Room 2	Marlborough Room 1	New Zealand Room 2	New Zealand Room 4	Marlborough Room 3	New Zealand Room 3	Epsom Room 2	Excellence in Research RACP Foundation
Clinical Update in Adult Medicine	Addiction and Alcohol Policy	Capacity to train: what is the issue? What are some models to make sense of capacity to train?	People in mines: a New Zealand perspective	Health and Resource Management - Choosing wisely - optimising use of limited healthcare resources	Best of Grand Rounds	Wiley Award for Clinical Excellence Session 1	Rue Wright Memorial Award P&CHD	Excellence in Research Susman Symposium
Mast Cell Instability: understanding Urticaria, Angiodema and Anaphylaxis – ASCIA Dr Andrew Baker	Overview of work done by Alcohol working Party Prof Paul Haber 'Big picture' overview of recent NZ liquor law reforms Dr Geoffrey Robinson	Another kind of addiction – gambling addiction and its comorbidities) Dr Phil Townshend	Ms Bridget Mintoft Mr Neville Rockhouse The Assumption of Performance - an insidious threat Mr Nick Davidson	Difficult Decisions - Evidence, Ethics and Budgets Dr Nicki Murdock	Finding the Zebra Whilst High on Cocaine: A Hypertensive Emergency Dr Alexander Dashwood	Pilot study of eADVICE (electronic Advice and Diagnosis) following A/Prof Diane Fatkin Computerised A/Prof Patrina Caldwell Specialist home-based nursing services for children with acute and chronic illnesses (Cochrane Review) Dr Chitra Parab	Evolution of the genetics revolution in familial cardiomyopathies A/Prof Diane Fatkin Immunity to Influenza and HIV Prof Stephen Kent Chair: TBC	
Gene panels and exome sequencing: a practical guide – HGSA Dr Ian Hayes	Another kind of addiction – gambling addiction and its comorbidities) Dr Phil Townshend	Prof John Wilson, Dr Marie-Louise Stokes and Dr Jonathan Christiansen A/Prof Ian Scott	Dr Rod Nicholson Chair: Dr Rod Nicholson	Dr Nicki Murdock Chairs: Dr Nicki Murdock and A/Prof Ian Scott	Hampered by historical paradigms: echinocandins and the treatment of Candida endocarditis Dr Bradley Gardiner	Paediatric presentations to a non-tertiary paediatric hospital over a 12 month period: Implications for workforce planning Dr Andrew Hardy	Wiley New Investigator Award P&CHD	
Researcher: preventing their extinction? - ASMR Prof Martin Delatycki	Personal reflections of a physician-advocate on NZ liquor laws Dr Samuel McBride	Dr Nicki Murdock and A/Prof Ian Scott	Dr Rod Nicholson	Dr Nicki Murdock	Khat-associated hepatitis Dr Malcolm Forbes A mother's split with a silver lining Dr Tom Ford	Procedural and resuscitation requirements for paediatricians working in a non-tertiary centre: Dr Andrew Hardy		

12.30–14.00	Exhibition Area
Lunch	Exhibition Area

14.00–15.30

Physicians as Medical Experts	Physicians as Advocates	Physicians as Educators	Physicians in the Workplace/AFOEM	Physicians as Professionals	Awards - AMD	Awards - RACP Foundation
New Zealand Room 1	Marlborough Room 2	Epsom Room 3	New Zealand Room 2	New Zealand Room 4	Marlborough Room 3	New Zealand Room 3
<p>Obesity and Epigenetics, Diabetes and Endocrine</p> <p>Shared Paeds and Adults Medicine Session</p> <p>The Practical Management of Childhood Obesity</p> <p>Dr Matthew Sabin</p> <p>Dr Allan Sheppard</p> <p>An Update on Bariatric Surgery for Physicians</p> <p>Dr Grant Beban</p> <p>Chair: Dr Rimki Murphy</p>	<p>Addiction and Alcohol Policy</p> <p>FASD – a NZ perspective</p> <p>Dr Zoe McLaren</p> <p>Overview of recent research on FASD</p> <p>Dr Elizabeth Elliott</p> <p>Chair: Prof Paul Haber</p>	<p>SPDP Workshop 3 – Work-based Learning and Assessment Part A</p> <p>Includes strategies for making planning for learning and assessment relevant, practical and integrated into practice</p> <p>Facilitator: Dr Gregory Williams</p>	<p>Natural Disasters and Hazards</p> <p>Health of front line workers in post-earthquake Christchurch: a longitudinal study</p> <p>A/Prof David McBride</p> <p>Dr Richard J L Heron</p> <p>Asbestos in soil and elsewhere – lessons from Barangaroo and Christchurch</p> <p>Prof Tim Driscoll</p> <p>Chair: A/Prof David McBride</p>	<p>Simulation and Professionalism</p> <p>Simulation and physician professionalism</p> <p>Dr Katy Gibb</p> <p>Simulation in the physician setting</p> <p>Mr Julian van Dijk</p> <p>Panel Discussion Speakers: Mr Julian van Dijk, Dr Amanda Walker and Dr Peter Roberts</p> <p>Chair: Dr Katy Gibb</p>	<p>Best of Grand Wiley Award for Clinical Excellence Session 2</p> <p>TB or not TB...is that the question?</p> <p>Dr Victoria Hall</p> <p>A challenging case of systemic granulomatous disease</p> <p>Dr Elita Santosaputri</p> <p>Complex Cushing's - A Thorough Review Of Investigating And Managing Cushings Syndrome</p> <p>Dr Sonia Saxena</p> <p>Judges: Dr Cam Bennett, A/Prof Nick Buckmaster and Dr Helen Rhodes</p>	<p>RACP Trainee Research Awards for Excellence - Paediatrics Session 1</p> <p>Oral vs Intravenous Antibiotics in Low Risk Paediatric Febrile</p> <p>Dr Aditi Vedi</p> <p>Gastric emptying in children with type one diabetes mellitus</p> <p>Dr Jody Porter</p> <p>Iron deficiency and its treatment do not predispose the indigenous children of central Australia to bacterial infections: A retrospective review.</p> <p>Dr Keshan Satharasinghe</p> <p>Febrile seizures: viruses and their etiologic role (fever)</p> <p>Dr Joshua Francis</p>

15.30–16.00

Physicians as Medical Experts	Physicians as Advocates	Physicians as Educators	Physicians in the Workplace/AFOEM	Physicians as Professionals	Awards - AMD	Awards - RACP Foundation
New Zealand Room 1	Marlborough Room 2	Epsom Room 3	New Zealand Room 2	New Zealand Room 4	Marlborough Room 3	New Zealand Room 3
<p>Obesity and Epigenetics, Diabetes and Endocrine</p> <p>Shared Paeds and Adults Medicine Session</p> <p>The Practical Management of Childhood Obesity</p> <p>Dr Matthew Sabin</p> <p>Dr Allan Sheppard</p> <p>An Update on Bariatric Surgery for Physicians</p> <p>Dr Grant Beban</p> <p>Chair: Dr Rimki Murphy</p>	<p>Addiction and Alcohol Policy</p> <p>FASD – a NZ perspective</p> <p>Dr Zoe McLaren</p> <p>Overview of recent research on FASD</p> <p>Dr Elizabeth Elliott</p> <p>Chair: Prof Paul Haber</p>	<p>SPDP Workshop 3 – Work-based Learning and Assessment Part A</p> <p>Includes strategies for making planning for learning and assessment relevant, practical and integrated into practice</p> <p>Facilitator: Dr Gregory Williams</p>	<p>Natural Disasters and Hazards</p> <p>Health of front line workers in post-earthquake Christchurch: a longitudinal study</p> <p>A/Prof David McBride</p> <p>Dr Richard J L Heron</p> <p>Asbestos in soil and elsewhere – lessons from Barangaroo and Christchurch</p> <p>Prof Tim Driscoll</p> <p>Chair: A/Prof David McBride</p>	<p>Simulation and Professionalism</p> <p>Simulation and physician professionalism</p> <p>Dr Katy Gibb</p> <p>Simulation in the physician setting</p> <p>Mr Julian van Dijk</p> <p>Panel Discussion Speakers: Mr Julian van Dijk, Dr Amanda Walker and Dr Peter Roberts</p> <p>Chair: Dr Katy Gibb</p>	<p>Best of Grand Wiley Award for Clinical Excellence Session 2</p> <p>TB or not TB...is that the question?</p> <p>Dr Victoria Hall</p> <p>A challenging case of systemic granulomatous disease</p> <p>Dr Elita Santosaputri</p> <p>Complex Cushing's - A Thorough Review Of Investigating And Managing Cushings Syndrome</p> <p>Dr Sonia Saxena</p> <p>Judges: Dr Cam Bennett, A/Prof Nick Buckmaster and Dr Helen Rhodes</p>	<p>RACP Trainee Research Awards for Excellence - Paediatrics Session 1</p> <p>Oral vs Intravenous Antibiotics in Low Risk Paediatric Febrile</p> <p>Dr Aditi Vedi</p> <p>Gastric emptying in children with type one diabetes mellitus</p> <p>Dr Jody Porter</p> <p>Iron deficiency and its treatment do not predispose the indigenous children of central Australia to bacterial infections: A retrospective review.</p> <p>Dr Keshan Satharasinghe</p> <p>Febrile seizures: viruses and their etiologic role (fever)</p> <p>Dr Joshua Francis</p>

The role of routine repeat head imaging in paediatric traumatic brain injury

Dr Sonny Cyrus Bata

Findings from comprehensive health screening of children in out-of-home care: The health of 4-6year olds in southern Tasmania compared to peers.

Dr Marie Rauter

Can coeliac serology alone be used as a marker of duodenal mucosal recovery in children with coeliac disease on a gluten-free diet?

Dr Elizabeth Grace Bannister

Can insulin pumps with predictive low glucose management system prevent hypoglycaemia with type 1 diabetes mellitus?

Dr Mary Binsu Abraham

Judges:
Prof Richard Doherty, Dr Patricia Caldwell

Exhibition Area

Afternoon Tea

16.00-17.30
